Stephanie:

Attached is a submission of data collected pursuant to the Background Benthic Survey QAPP Addendum (sediment data) that accompanies the CPG LPRSA Monthly Progress Report #68 provided under separate cover. Please note that this is a partial submission of raw data received from the participating laboratories during December 2012 and has not yet been checked for consistency with the Region 2 MEDD criteria.

Please note that the attached zipped data file has been provided as a "ZZP" file and the file extension should be re-named "zip" to open it (in the event EPA's e-mail system rejects this type of file).
